Key Takeaways

- **Bloom's Taxonomy & OBE Best Practices** – Strengthening understanding and effective implementation of OBE principles.
- **Assessment Analysis & Improvement** – Analysing existing assessment practices and identifying opportunities for improvement.
- **Innovative OBE Tools & AI Platforms** – Familiarizing technology-enabled tools for OBE attainment and assessment.
- **Analytics & Continuous Quality Improvement** – Leveraging assessment analytics for continuous improvement and stronger accreditation preparedness.

About Nehru College of Engineering & Research Centre (Autonomous)

Established in 2002 on the serene banks of the River Nila, Nehru College of Engineering & Research Centre (NCERC) is a premier, NAAC A+-accredited and UGC-autonomous institution affiliated with APJ Abdul Kalam Technological University. NCERC is committed to providing a top-notch academic curriculum through excellent teaching pedagogy and innovative evaluation methods. As an NBA-accredited engineering college in Thrissur, NCERC takes pride in offering a range of undergraduate and postgraduate programmes in Engineering, Management and IT.

At NCERC, we are guided by a set of core values that define our institution and distinguish us as a leading centre of higher education. Committed to academic excellence, NCERC combines innovative teaching practices, state-of-the-art research facilities and rigorous curricula to empower students. With strong industry partnerships, NCERC provides transformative opportunities, including internships and placements, that prepare students to excel in their careers and contribute positively to society.

About ipsr solutions limited

Led by a team of academicians and entrepreneurs, **IPSR is a public limited IT company** with 26+ years of expertise in Software product development, Training services & Web-based services. Our IT services division is a pioneer in development of **Academic Solutions**, incorporating cutting edge technologies like Artificial Intelligence, Data Analytics and Machine learning. We offer specialised services and solutions for the educational sector, ranging from simple websites to complex software applications that help to manage academic and operational activities like **Question Paper generation, OBE (Outcome Based Education), High Impact Research** etc

Over the past 26 years, IPSR has empowered over 100,000 students to excel in IT careers and, in **seven years**, trained and **mentored more than 50,000 faculty members from 10,000+ Higher Education Institutions**. Through our Faculty Development Programs (FDPs), particularly in Outcome-Based Education (OBE), we equip educators to create impactful learning experiences that shape brighter futures for generations.
